Project ZER 

THE  
**HAT CLUB**  
LITTLE ROCK

We're thrilled to announce the 2025 Hat Club Classic, a premier golf event benefiting Project Zero. The 4-player scramble will take place at the prestigious Chenal Country Club on Monday, August 11, 2025, offering a thrilling day of golf for a great cause.

Secure your spot early and get ready to tee off in the early afternoon. Your team entry includes a delicious lunch, beverages, 4 mulligans, raffle tickets, tee gifts, and the chance to win exciting prizes. Join us for a memorable day of golf and philanthropy! **Email us to register or for more information.**

**CHENAL**  
COUNTRY CLUB

Project Zero agrees and we are passionate about finding those unfound families for 292 of Arkansas' children who are waiting in foster care to be adopted.

The mission of Project Zero is to diligently and enthusiastically promote adoption through the foster care system with the ultimate goal of finding a forever family for every child who is waiting.

We do this by:

- **Raising AWARENESS** about the need for adoptive families through the Arkansas Heart Gallery; online exhibit and three traveling exhibits, through short films featuring waiting kids, and through promotional products and speeches.
- **Building HOPE** in and grow relationships with waiting children/teens through exciting monthly events filled with new experiences.
- **Helping to CONNECT** waiting children/teens with the right forever family through our partnership with Arkansas DCFS, through 'connection' events that bring waiting families and waiting children together and through one-on-one interaction with interested and waiting families.
